As a co-worker of Don's for the past 25 years I always enjoyed his wit and energy. We would have varied discussions about work, our children, power equipment and life as rural Loudouners. His eyes would beam as he talked about his son. Don's contributions to the western Loudoun community and Loudoun County Government will be sorely missed. Words cannot adequately express my deepest sympathy to Don's mom, Jane and Johnathan. Know that my thoughts and prayers are with you in your loss. Rest well Don, and God Bless!

I'm sad to hear that Don has passed. For the past thirteen years, our desks were within a few feet of each other at the County IT building. A couple of times each week, we found some time to discuss varied topics: ranging from the stock market, the growing experiences of our sons, caring for our parents, life at the County, and life in general. When in Purcellville, I'd stop by to see whether Don was at the store. Always apparent was the love and pride Don had for this parents, wife, and son. May you rest in peace friend. Gary McKelvey

I am a co-worker of Don's but most of all one of his friends. Back in the day we bowled on a team together for several seasons. Man, did Don have a fierce throw. You would almost think it was going through the back of the alley. Don was a caring, creative and witty person. Johnathan, you were truly the apple of his eye. He will be truly missed.

Don Trenary was a great Scoutmaster and mentor. He always had a story for around the campfire and wise words of wisdom even when they were not asked for. Don could always be depended on to do the right thing even if it was unpopular. He was a great example to me as a scout and I cherish his memory. Jane and J.T. nothing that I can say will be able to comfort your loss. I will be praying for you all during this time. I remember Don fondly and along with the other men in the Boy Scout troop he had a profound influence on my development of character and integrity. The greatest legacy of Don is on the lives he touched.
