Colin sent a virtual gift in honor of Peter.

I did not know about his death until today. I wish I was able to show my condolences to friends and family. I do not know Peter that well but I have worked with him. He would always joking and put me on so much game with relationship or life. He always managed to put me in a better mood no matter what. One of my favorite moments was when he wanted me to make sure I ordered cauliflower pizza. We had a debate on whether it's a real pizza or good pizza it had me laughing. Peter definitely had an impact on me and I will never forget. RIP man

Sooklal family, my condolences to Mom and all 5 brothers. I'll never forget how Jason used to make me laugh in middle and high school. He hated when you called him Peter and I loved how he used to mess with every substitute teacher. He had a great smile and loved to laugh himself. He would give you a big slap on the back or neck if he liked you. Rest in paradise Jason!

I still can't believe your gone. You'll be missed, and remember how much made is all laugh, you were the life of party every time. I remember we use to battle hard in Madden football. It was such a joy to share drinks with you the last time we met.

Sending my condolences to the Sookal family & his closest loved ones. I just found out today running into a mutual friend from Sterling Park. Jason was pure energy & live! He's always showed so much love every time we ran into each other. A true Island brother with tons of hospitality & very caring. I'm gonna miss you bro. Rest In Paradise! LoveWally

I want to send my condolences and love to the family. I just recently learned about Jason's passing. He was such a funny, loving, caring person. He also was a guy who told it like it was and had a wild side. I'm so sad to hear about this news. He was way too young to leave us but he is in a better place. I wish I would've spent more time with him since I did see him a while ago and of course we were pretty close through the high school days. Rest In Peace Jason You will always be remembered and deeply missed. Erin
