Robin, Elyse, and family; I remember when we first met Garland and Robin - Erik and Elyse were going to their 8th-grade dance. I can't remember where the dance was, only that we had a really nice conversation. It was a JOY to meet both of you and Elyse too! You are in our thoughts and prayers. May God continue to give you strength and comfort you during this sad time.

Dear Family and Friends of Garland, we send our deepest sympathy for your loss. Regrettably we cannot be there with you. There are no words that can comfort you now, but find peace and joy in the memories!! Garland lived a great and happy life with you and we are glad we were a part of it. We mostly remember his wide-eyed story telling- he had that gift- and always a big grin- Garland left people better than he found them. We shall see you again one day, Rest Well Dear Friend..

Garland felt like a brother to me, as he did most everyone else he ever met. He seemed always happy about something & rightly so as he exuded kindness & friendship & got that back in return. He was one of the funniest guy I've ever met. We spent most of our younger years together with him & Robin as single couples, then as they began growing their family. Many happy days were spent together in the Outer Banks.. fishing & lots of laughter. I will always remember Garland with a smile... sending & holding love prayers in my heart for Robin, Ryan, Ben & Elise..🙏❤️
