To Carol's family, I am so sorry for your loss. I know Carol will be terribly missed by her family and friends. I met Carol 8 years ago when I started working at MicroPact. In the past few years, we were finally able to work on the same projects together. She taught me many things over the years. She was not only excellent at her job but such a fun and happy person. I enjoyed chatting with her to break up the work days. Now that I moved to HHI, I was hoping she would be able to come and rest at the beach as I know she loved it but I guess that was not meant to be. I think of her often. Now she can be with her fiancée again as I know she missed him greatly. Hugs to the family. Again, my condolences as I know this is a difficult time.

Dear Kennedy family, Carol was one of the sweetest colleagues I have met in the workplace. It's hard to believe that she left us this early. She will always be remembered as one of the kindest persons. My sincere condolences to your family. May you find strength and courage during this difficult time. Regards Kalyani Maguluri (Micropact)
