I did not know Clarence well, but I know he made Toni so happy and he so was supportive of her in every way possible. Likewise she was the same of him and they endured and faced many tough things together with courage and love. Rest in peace Clarence and I know you'll be keeping an eye on Toni from above.

I have seldom met anyone as courageous and as positive as Clarence. And I have seldom seen the love that he and Toni shared. I am sorry for all the pain you both endured, but I am so glad you had each other to bear and ease the burden. Clarence I remember your smile, your sense of humor, and your attentiveness to all. I also remember your love of cooking. And I am witness to your love and dedication to Toni - and how you always supported and encouraged her in all her endeavors. May your love continue to support her in the years to come, and may you rest in peace.

If I know anyone who is a warrior, it has to be Clarence. He had an inspiring, and indomitable spirit. He was the most selfless person I've ever met. He always made people around him laugh. His Irish sense of humor was contagious. I remember how he comforted others again and again while in the midst of physical pain as a result of his medical condition. He was a warrior of light, integrity and humor. To me, he was a legendary person, an Irish Spartan! We love you and we miss you! We know that you are smiling at us from heaven.
