I will always remember Robert as someone who embodied what the love of Christ looks like. I can't ever remember seeing him without a smile, even when he wasn't feeling well. He treated everyone with kindness.

Robert was an amazing husband, father, grandfather and great-grandfather, uncle but most important, he loved the Lord. He would be there for anyone that needed help and, never looked for recognition. His career expanded through various levels of work and for the most part he enjoyed everything he did. Robert was a Harley driver and I believe that is where he felt free as he was able to travel the roads in so many areas. He was a fighter until the very end and wouldn't let his health issues stop him from enjoying life. You will be missed but will be with us in our hearts. Until we meet again.
