My sincere and deepest condolences goes out to the family. It is with a heavy heart that I'm writing you this message as I gotten to know our dear Jacquelyn. Despite only being a brief time we shared, I got to see a beautiful young woman that was passionate, loving and caring. A hardworking individual and a wonderful mother to little Noah. We hang out a few times and always had a blast together. I will forever cherish our memories and remember her with fearless spirit. May she rest in peace 🙏🌟❤️

My condolences and prayers go out to my family. It was only a short while I personally met Jacquelyn during the Homegoing of aunt Essie. Jackie greeted me with a smile and sincere hug. She was a sweet, humble, smart and brave young lady. RIP my dear cousin. 🕊️
