PAUL ARTHUR PETERSON

APR 8, 2023

PAUL ARTHUR PETERSON, age 65, passed away at home on Saturday, April 8, 2023 in Ashburn, Virginia. Son of the late Olaf and Cecelia Peterson of Marinette, Wisconsin, Paul leaves behind his wife of 36 years Marcy Peterson. Brother of Doris (John) Lacourt, Gayle (Lloyd) Gomez, Karla (Gary) Posselt, Peter (Denise) Peterson, Celeste (Tim) Hammon, Dean (Kathy Hagen) Peterson, the late Julie Peterson, the late Lloyd Peterson and the late Marie Peterson. Uncle of multiple generations of nieces and nephews.

An alumnus of the University of Wisconsin-Oshkosh, Paul was the Vice President of Finance and Accounting for 30 years for The National Organization of Life and Health Insurance Guaranty Associations (NOLHGA) until he retired in June 2022. Paul was a diehard Packers, Brewers, and Badgers fan (all things Wisconsin). He had a wicked sense of humor and managed to endear himself to just about everyone who met him. He will be missed in ways that there are no words to describe. He will continue to fondly live on in our memories.

In lieu of flowers:

The Inova Schar Cancer Institute took really good care of Paul during his battle with cancer. Tribute information - Paul A. Peterson of Ashburn, VA. If you chose to notify Marcy list email address as mappap60@gmail.com.

Jeanne M Harper posted:

Dearest and best Tutor in my life!!! First, my husband, David and I, Jeanne met Paul through our St Joseph Parish High School Religious classes -- we were blessed for four years to witness his uncanny humor and wit!! Fr. Mullarkey loved it when Paul dug deep into the concepts and then would end with something witty -- just getting all of us smiling and giggling!! In 1976 I started college at UW Marinette and I had Paul as a fellow student in many of my classes...only in one, College Algebra, did I need a tutor -- it had been 16 years since I had studied Algebra! Paul was exceptional and I cut his curly hair for the two years we were fellow students!! He helped me get a B in my College Algebra class!! Unbelievable -- he could help me learn "my" way of understanding the concepts. Poor Lyle buried me in the concepts and Paul lit a light in that darkness! He even helped the night our living room fireplace chimney caught on fire -- getting our kids out of the house and staying with them in his car while the fire department took care of the fire! My kids never forgot that night of Paul "babysitting" them in the middle of winter in his car!! I have many more examples of this marvelous friend -- he never came to town without stopping in to see us - even if only 5 minutes on the way to a Brewer, Packer or Badger game!!! Blessings on your final trip Paul -- Marcy know that our prayers will continue for you on this new grief journey! Love always, The Harpers - David Jeanne, Michael and Lisa -- Marinette WI

What an awesome friend & colleague you were to me for 30 years (as well as to our other colleagues). So dang smart, incredibly funny, kind, very generous. I already miss you a whole bunch. My thoughts are with all of your family members and other friends in this world as we go through this sadness together. We were all blessed to know one of the best guys ever.

My sympathies to Marcy and all the Petersons. I remember cousin Paul's wit and charm. I did not realize until I read the obituary that he loved cats, that makes him even an even more special person.

I remember Paul in the big lineup of Petersons we played with when we would come up to Elizabeth Street from Eden when we were kids. I recall the bunk beds up stairs and the long table and big meals.It was a wonderful time with wonderful cousins. So long, Paul.Michael Murphy
