My Deepest condolences to Pasty's Husband & Family, I had the great opportunity of working with Pasty at Jerry's Florist. Pasty was a beautiful lady who had an incredible loving soul, she had a southern charm about herself that I just came to loved about her. We had lots of fun and laughs working together. I will always cherish the time we spent together. The world has just lost another beautiful soul. My heart is saddened to say goodbye to Pasty. May she rest in peace until we meet again and may Pasty's Family find comfort and peace in the beautiful memories of a life well lived. Many Blessings To all of you. Dee Benac
