MICHAEL BROWN

AUG 17, 1968 - MAY 6, 2023

Michael Brown, 54, of Lovettsville, VA sadly passed away on May 6, 2023. Michael was born to Kathleen and Pierre Brown on August 17, 1968. After getting his GED and associate degree he went on to become a mechanic for the Department of Vehicle Services with Fairfax County Government for 29 years.

Mr. Brown is survived by his loving wife of 30 years, Bonnie, as well as his children Megan and Alexander and his two sisters Jennifer Henke and Suzanne Paletti.

His family will remember him as a humble, hard working, and honest man. He was the type of person who would choose to repair something over buying a new one. He valued hard work, honesty and the value of an individual's word. He was an all-season motorcycle rider and loved taking trips locally or across country. To his children, he was loving and funny. He made sure he provided them with values and the importance of their education. He was proud of their accomplishments and always smiled when he spoke of them. To his wife, he was loving and caring. He made it his priority to keep the romance alive and keep her laughing.

Services will be held privately.

I was fortunate to work with Mike at west ox garage. He was such a kind and thoughtful person. We always loved talking about our families and Caps hockey. We both celebrated at work when they won the Stanley cup in 2018! He will be missed but not forgotten. Rest easy buddy. My condolences go out to the family.
