Anjna Sharma lit a candle in honor of Darnell.

Jai Jai. I remember from the time you were born and from the time when you spoke your first pubjabi words that were mimicking me in the cutest way saying "Donnie soja" (Donnie sleep). You stole my heart. Anyone who knew and loves you will never ever be the same without you here. May you fly high, be free and at peace. I pray Nani Ma and your Manju Masi your angels on Earth that were here when you took your first steps in life are there with you holding your hand when you take your final steps through the gates of Heaven in this circle of life. I miss you baby. My heart is broken. RIP Mera Jai Jai Beta. Anju Masi loves you and will do so forever.
