Steven Edward Harris

AUG 26, 1950 - JUN 29, 2023

Steven Edward Harris of Ashburn VA died Thursday, June 29, 2023, after a battle with Melodysplastic Syndrome known as MDS (a cancer of the bone marrow). He was diagnosed with MDS on May 25, 2023.

Steven was born in his grandmother's feather bed in King's Lynn England on August 26, 1950. Steve was the eldest of 5 children born to Charles and Gwynneth Harris. Steve's father served in the U.S. Army-Air Force and was stationed overseas and in the U.S. during his military career. Growing up, Steve became accustomed to moving and excelled with a competitive approach to sports and education. This served him well no matter where he lived throughout his 72 years.

Steven is survived by his wife of 47 years, Margaret Scott Harris, his daughter, Jennifer Harris Hedrick Castrovinci and husband Marc, grandson Mace Hedrick and Mace's father, Daniel Hedrick. He leaves his sister Shirley Mastria and Jimmy, sister Bev Hicks and Doug, sister Lynne Johnson, and brother Roger Harris along with numerous nieces and nephews as well as close friends, old and new.

Steven was a 1973 graduate of Virginia Polytechnic Institute and State University in Blacksburg, Virginia with a Bachelor of Science in Electrical Engineering degree. He accepted a job with Vepco following college graduation. He was always excited to move to new challenges and jobs throughout Virginia with his family while always learning the varied operations of Vepco as it became Dominion Energy during his 38-year career. Steve retired in 2010 as Manager Distribution Construction North/West Region.

Retirement for Steve was about pursuing his passion for GOLF. Whether a high or low score, a shot into the woods or sand trap, inclement weather or sunshine, Steve loved golf! He looked forward to weekly golf trips to play courses throughout Virginia. He marked the calendar each year for annual trips with golf buddies during the year including Las Vegas, Myrtle Beach, Williamsburg, Ocean City, and even Luray Virginia. Steve never did make that golf course "Hole-in-One" during his many rounds with his clubs and that dimpled golf ball.

Steve celebrated all his golf buddies "Hole-in-One" achievements. However, I could see that Steve's friendships, jokes, quick wit, and happy nature showed his own "Hole-in-One" when he looked forward to a chance to play the game with you, his friends, as well as the daily people interactions he enjoyed as an adult. He curated his own "Hole-in-One" with important long-standing relationships be it colleagues at work, retirees, family, friends and even chance encounters with people anywhere he found himself. Each interaction with Steve really was a daily "Hole-in-One"!

A Memorial Service will be held at 1:00 pm on Monday, July 17, 2023, at Loudon Funeral Chapel and Crematory located in Leesburg Virginia on Catoctin Circle.

In lieu of flowers, Memorials may be made in Steve's honor to the following:
Stream Valley Veterinary Hospital - 42902 Waxpool Road - Ashburn VA 20148
Blue Ridge Hospice - 333 West Cork Street #405 - Winchester VA 22601
Loudoun Hunger Relief - 750 Miller Drive Suite 110 - Leesburg VA 20175

Dear Margaret and Family, I was sad to learn of Steve's passing. I am at the same time happy to have known and worked with Steve for many years in Northern Virginia at Dominion Energy--when he was District Manager and then Regional Manager--and later to see him at retiree events. While Steve was serious and dedicated to his work, he was always pleasant and fun to be around. I pray the good memories flood your mind and console your heart. May God give you strength and peace. Sincerely, Deborah Tompkins Johnson

I worked for Steve in Leesburg and with him in his many roles in Northern and Western Divisions. We became good friends and enjoyed our annual golf match against Dave Tuck and Bob Copper. We didn't beat them often, but it was always fun. He was great at the good natured jab. I will miss Steve. RIP

Margaret, Jenny, and family: Our hearts are saddened beyond words about Steve's passing. We are comforted some to know this illness didn't linger and he is free of pain. In true Steve fashion he gave it a "fight", his all, and in the end he said "get me home". Remembering Steve will always bring a smile to our face. The obituary was a "hole in one" itself!! Steve was a long time good friend to us and we will cherish our memories. Much love to you both and his entire family during this time and always, Lynda and Gordon Specht

Such a good friend for close to 30 years. Coworker, golf buddy and mentor. Steve was always there to help out when needed, or say the right thing at the right time. He could give you grief if you goofed up, then show you how to do it right. He would do anything for his family and friends. You are in a better place now, watching over us all !

Steve has been a regular at my annual Luray Golf Trip. I knew Steve when he worked at Dominion but got to know him better at Luray. He looked forward to going every year. Next year we will raise a glass for Steve.

I've known Steve since 1979 but got closer during our annual golf trips to Luray. We often promised to play golf at home but unfortunately that never seemed to be arranged. A great guy that will be missed.

Margaret, Jenny and family I am so saddened at the loss of Steve. During my 43 years with the company he was the best boss I ever had. After I retired to West Virginia Steve and Margaret came to visit me. I will never forget how caring and thoughtful he was. I will miss my dear friend so very much. I know that he is with our heavenly father and one day I will see him again.
