Ramalakshamma Reddy Vallur

NOV 9, 1932 - JUL 11, 2023

We are deeply saddened to bring the sad news of the passing away of our Mother Srimathi RAMALAKSHUMMA REDDY VALLUR. Srimathi RAMALAKSHUMMA REDDY VALLUR was born on November 9th, 1932 in Nandalur, Cuddapah District in India. She had an incredible presence in the community and fostered a welcoming environment for anyone in need. She raised her 8 kids until they left home to pursue their own families, most of which were in America. She followed suit in 1986 and traveled to the United States of America to be with her family and children, witnessing the birth, graduations, weddings and was actively involved in the lives of her children and grandchildren and even the birth of her great-grandchildren. She is known as AMMAMMA in the community for being a person of integrity and character and she was admired and respected by all. She made sure that no one had an empty stomach when they visited. She has been an active Mother, Grandmother, Great-Grandmother to lead the entire VALLURU FAMILY in a positive direction and has spread her legacy across multiple continents. She will always be remembered for her generous spirit, her compassionate words, and her nurturing love. All her friends, relatives, and community members will miss her nearly & dearly.

She is remembered by her 8 Children, 18 Grandchildren, and 10 great-grandchildren.

On behalf of all the Valluru family members, we wish for family strength during this difficult time. Please remember her smiling and laughing face as she would want. Thank you all for the support and well wishes.

Please do not bring flowers as they will be provided during the service

What I learned from Amamma is her unconditional love and affection for family. She calls, enquires about our well being, conveys wishes to spouses and kids (she remembers everyone's name) and never complains that we didn't call her back! True care 🙏. Another one is the genuine big smile on her face whenever we meet. I wish I can do what she did even 2%, I call it success! She inculcated the same affection and love and care in the family. All the Children and grand Children are so loving and caring and I wish them the strength to cope with the loss. I am thankful and fortunate to have Amamma in our life 🙏

Amma always smiling, very down to earth, treats everyone like family member (kotta, pata ani lekundha apyayanga palakaristaru), very kind and generous. Me and my family are very fortunate to have amma in our life. Really enjoyed going to temples, picking flowers from garden, preparing garlands for pooja when we were kids. Amma's kind words, blessings and support helped my mother to recover and get well. We will cherish all those sweet memories for many many years to come. Hope God gives the strength for family members and friends to cope up in this situation. Miss you amma. Kishore & Raju Family
