Kamlesh Chainani

MAR 20, 1942 - JUL 26, 2023

Kamlesh Chainani was truly dedicated to family and those he loved.

He came from a world wracked with turmoil, uncertainty, and pain. He built a career as a refugee in a young and storied country.

He then emigrated to the United States as a young man where, with his wife Luci, he took on new adventures. Here he took incredible risks. Every risk he took he took to build a life for his family.

He was successful in his education and built a successful life on the back of new industry. He supported his wife, his daughter, her children and end countless others through his success.

Throughout his journey he never faltered in his dedication to what we all know to have been the true nature of his heart. Kamlesh lived life selflessly.

He showed his care for his friends, his families, his comrades in incredibly generous and selfless ways on a day to day basis. His story should be an inspiration and an aspiration for all that he touched.
