Jill Pawlak posted:

I was fortunate enough, in the late 90s and early 2000s, to work for Mr. and Mrs. Dodson of Dodson Homes, in their Warrenton, Virginia office. They were a well known home and commercial builder with a reputation for integrity and well built communities. Mrs. Dodson was so down to earth and easy to deal with. She was one of the most kind persons I had ever known. She always acknowledged a job well done and how much it helped her in the corporate office. I am sure that "Jean" will spend her Heaven looking over her family of grandchildren, and doing her kind deeds here on earth. She will be missed by so many. I will remember her always as I pray for the repose of her sweet soul. Jill Pawlak
