My cousin Joe, a guy who has been through a lot in his life, but it never stopped him until it was time for him to go home and receive his reward for a job well done and a life well lived. Joe was one of the friendless and giving people you will ever meet. He started an annual family picnic, and you would think everyone in Loudoun County was in his family. One of the many shows of his love and kindness. Rest in peace Cuz. See you later. Arnold Ambers - February 09 at 12:27 PM

My condolences to the family. Will miss seeing him especially at work. I took care of him when I worked in the hospital and would see him at my other job. I still keep the nickname "one shot". When he saw me he would say Hey one shot. Rest in Heavenly Peace until we meet again.

Mr Joe was my mom's neighbor for a few years , and while I didn't get as much time with him as i would have liked , the time he was a part of my life had a massive impact. He made me feel like family in the short time I had with him , I will never forget sitting on the deck , listening to music and learning some life lessons from Mr Joe , as much as ill miss it. I know you're in a better place now , Rest easy friend~
