Gentle. That is one word that comes to mind when I think of Michael. Met him in 7th grade and he was always kind and compassionate. When I first cut my hair and was feeling self-conscious, he was the first to tell me it looked nice. LOL May you cherish the memories of him and his sweet spirit. #KrabbaStrong

Grace and Family, this breaks my heart. I am so sorry to hear of Mike's passing. He was always a sweet giant. I first met him at the salon shop in Herndon. I saw the love between ya before he did. His smile will be missed. Love to you and family.
