Hemant was my first friend I made when I landed in Pennsylvania, 29 years ago. With his jovial nature, we became best friends. Over the passage of time, our families came very close to each other. As Hemant is embarking on his heavenly abode, he is leaving us here with lots of wonderful memories. His loss is very difficult to fathom and he will be missed very much. May his soul rest in peace. Our condolences and prayers to Savita Vahini, Amar, Sachin and Krupa. -Prashant Gupte

Hemantdada is my cousin brother. He was the one who taught me the basics of chess in my childhood. Being one of the youngest cousin sister, he always used to tease me, calling me 'edka' meaning 'ram'! Such sweet memories will always remain with me. I pray for his peaceful stay in another world. May god give strength to Savita vahini and Amar to bear this yet another tragic shock..

I am his brother in law. His wife is my first cousin. In long 44 years of our relationship, he has been a very jolly and friendly person to me. He was very rarional and down to earth person. As a first one to travel overseass in our family; we never saw him as posing to be someone superior or so called foreign return pride. Though a बुद्धिवादी; he was very much emotional to family especially Amruta. I remember him saying jokingly that " I will pamper her in such a way that she should frequently to come to माहेर to visit us and thus we will never miss her. " 😊 ईश्वरा त्यांच्या आत्म्याला सद्गती दे. 🙏

Hemant mama or as we call him Hemamama was my mother's maternal cousin. He was a kind and gentle soul who liked to tell jokes and do musical mimicry. He was always supportive of family and friends. He was loved by everyone who knew him and will be greatly missed.

Hemant's expertise in Chess was legendary. He also use to play "Blind Chess". which involved he playing chess without looking at the Chess Board during the full game. Long back atleast 35-40 years back he had given the demo of the same in our Jai Vijay Society. He never came back to our society after that but after hearing the sad news of his demise, I told my friends here about the same and most of them remembered him. Thats the impact he had..

Remembering the nights that Hemant spent in a small house in Gole Market, New Delhi when he had to attend some official calls to people in USA and in a simple atmosphere with no high headedness. So adjusting was he!!! We spent some good time with you and your family. Small memories will remain in our hearts Hemant. Rest In Peace 🙏

Hemant is my chess friend first then our friendship grew and it is now around 50 years old. once i talked about how he started and he started sbi,southern command,henley cables,elpro,new delhi, Maleshia and list was endless .amazing and vast experience of dealing with humans! I always enjoyed his company because he was always at ease,open hearted,joking and full of life once in a hotel he called a waiter by calling him Ashok,lasked him how you know his name and ,he told, even in US i call by the same name and he comes! the memories are endless. As he is embarking on his heavenly abode,I salute him as he taught me how to live life full of life.SK Ranade, Pune - march 24 at 6:44 PM

I have very fond memories of time spent with Hemantdada when I was small kid. He took me to first ever live cricket game I watched at Nehru Stadium Pune. He taught me chess he used to take us to Amitabh Bacchan movies. He was very jolly. My last interaction with him was way back in 1999 when I stayed with him after my CPA exam. He was more of a brother than cousin to me when I grew up and will always cherish the memories of great time I had with him and his family. Abhay
