Eric James Clevinger

JUL 14, 1978 - MAR 22, 2024

Eric Clevinger of Leesburg, VA died unexpectedly in the evening of Friday, March 22, 2024. He was 45 years old.

Eric was known equally for both his loyalty to others and “dad joke” sense of humor; he loved his friends and family fiercely and lived to bring joy to those around him. It was common to find Eric spending his time in service to others, even if those others were strangers who just needed someone to notice their presence in the world. He loved to share memes and reels on social media, ride every roller coaster he could find, battle his gaming buddies/best friends online, give scratches to his cats, play with his dog, and make experiential memories with his children.

Eric is survived by his loving wife, Joia and was a proud father to two amazing children: Madison and Benjamin. He is also survived by his dad Jim (Jo Anne) Clevinger and brother Shawn (Heather) Clevinger. Eric was predeceased by his mother Debra Clevinger.

Although Eric spent the last year of his life as a Facilities Director at Christian Fellowship Church, he built strong relationships in the ten years prior at Thorlabs, Inc. in various roles, and had deep, connective bonds with his military family as he proudly served as an Aviation Electronics Technician in the United States Navy where he earned the rank of Petty Officer Second Class. Fair winds and following seas, sailor.

His untimely departure comes as a great shock and a deep wound, and it is gravely felt by his entire family and countless others who loved him deeply in his wide network and community. The family deeply appreciates your support during this difficult time and asks that you make contributions to his children’s education funds <https://linktr.ee/honoringeric> in lieu of flowers and contribute by sharing memories and pictures on our memorial website.

Deeply saddened and shocked for your loss. My heart and prayers go out to all that knew Eric. Eric and I served together at Mayport, FL. I recall several occasions where I would go into his shop about 15 minutes before end of shift and tell him we had a few pieces of gear for him to work on. His reaction was priceless. He was always happy to hear me tell him that I was joking, and then ask him for a pinch of skoal. He will be truly missed.

We had not spoken in awhile, but Eric was one of my closest friends when we were stationed at Mayport, FL together. One year we both didn't have plans to go home for the holidays, so we had volunteered to stand watch on Christmas day so others could spend that holiday with their families. Afterwards we picked up Chinese food and went back to my newly bought house and he helped me paint my walls. He was just that kind of guy who would unselfishly give up his time for others. I am kind of speechless about this. Here is a photo I had of him back when he was on deployment around maybe 2005 or 2006. My dearest condolences to his family.

I will always remember when in June 2018 Joia and Eric babysat our 1-year old daughter Dinah so as parents, Annika and I could attend a concert. Eric was a big teddy bear playing games and rolling around on the floor with Dinah making her giggle the entire night. At the end of the night, Eric thanked us and said: I think I'm now ready to have another kid. I remember when you both opened your home to us on Christmas Day. Eric made a camp fire in the front yard so we could roast marshmallows. I remember how excited Eric was when he found out he was having a son. I will always appreciate that I was able to meet and get to know Eric. We will miss him.

Eric was a super dad and easy going guy! I often chatted with him at our boys outings and it was very evident that his family was always at the forefront of his heart and mind. He has left a hole that will always be felt amongst the mom group family! Sending love to all his family and friends.
