Rest In Heaven, Mona. Thank you so much for holding space for all of us (literally every single kid), while growing up. I have so many memories with you, your family and children. Your kids love and admire you so deeply (my dream as a parent). You gave so much love and provided a sense of security, that a lot of kids don't get to experience. Thank you for being an example of love & leadership. Growing up, I too remember admiring you. Admiring the professional job you had (made me dream bigger), I admired how you parented & championed your kids. Last, but not least — how you fried them chicken wings, whipped them potatoes & sugared that sweet corn— BaBbbbyyyy! When I say PRESSURE, that meal was 1 of 1. You diiiid THHHAT! I pray that your kids & grands continue to feel your comfort throughout their days. You were a service to them & did a job, well done. May you SMILE FOREVER!
