My heart goes out to you, Laurie, Nick, Paige and Drew. Brian loved you all so much and I know you will miss him tremendously. I have good memories of our rides together to DC. Our conversations always flowed. We could talk about anything and have a few laughs, even though he wasn't feeling the best. He also was a great listener and made me feel like he would do anything for me. He was a good, good man. He will be missed by so many. Hugs, love and prayers going your way.
