Tanya will always live in my heart as my beautiful friend and beloved sorority "little sister". She truly was as beautiful on the inside as she was on the outside. Her kind nature, gentle spirit and loving heart will never leave us and I will always admire her strength, dignity and grace. Rest easy and pain free my beautiful sister. You are forever our angel.

Terri Grant Matus posted:

I will never forget the first day I met Tanya, Brian, and Brady (then a baby) at Aldie UMC. I had not been attending the church for very long myself at that time. They walked in, seated themselves, and just sort of looked around because they were the "new kids" in the pew. I recall their warmth and love for one another on that Sunday in the summer of 2013 (I think) and Brady's curious eyes taking it all in. I told them a little about our church, its smallness, but its greatness with a big heart. They came back. Again. Again. And, so many "agains" that Brady become Joseph each Christmas for years sitting on the altar with Mary, our "other" child in the congregation. Both Tanya and Brian gave their service not only to Aldie UMC, but to God with their giving hands, and loving hearts. I know sometimes people will say "a life well lived" when speaking of someone who has gone to God, but I will reinforce that both Brian and Tanya lived their lives to the fullest, and they walked the walk with actions of love. I wish I had known Tanya even better, but I think in many ways we did. Tanya never QUIT trying to live. To give. And to keep life going for her family. I am grateful to have known her and loved her, even if for a time all too brief. God bless Brian and Brady as they carry her love and legacy in their hearts. God be with you, and the entire family. With love, Terri Matus
