Glen A. Luna

NOV 21, 1958 - JUN 24, 2024

Glen Anthony Luna, devoted husband, loving father, and loyal friend, passed away on June 24, 2024. Glen will be best remembered for his quick wit and his big heart.

Glen was born on November 21, 1958, in Fort Walton Beach, Florida and always dreamed of retirement on the Gulf Coast. He grew up in Maryland and graduated from the University of Maryland with a degree in business. He discovered his passion for computer programming at a young age, spending most of his career as a software engineer for government contracts.

Glen showed every indication of being a forever bachelor until he met his wife Karen in 1995. Karen stole his heart immediately and they were married April 12, 1997, in Burke, VA. Their son James was born in 2001. He is Glen's doppelgänger and his pride and joy. They shared a close bond and the same sense of humor. James followed in his father's career path, graduating from George Mason University last month with a degree in computer science.

With the unwavering support of his family, Glen fought valiantly for the last 6 years against a myriad of health complications, maintaining a positive spirit throughout his struggles. The Luna family is very appreciative of the love and support given by numerous friends and family members who lightened the family's burden.

Glen was predeceased by his parents James "Jimmy" Luna and Rita (Benton) Luna. Glen is survived by his wife of 27 years, Karen (Cassara) Luna of South Riding, Virginia, his son James of Fredericksburg, VA, numerous nieces and nephews.

A visitation will be held at Loudoun Funeral Chapel, 158 Catoctin Circle, Leesburg, VA on Friday June 28 at 7 PM. Funeral mass will be held Saturday, June 29 at 10 AM at Corpus Christi Catholic Church, 41677 Corpus Christi Drive, Aldie, VA.

I was deeply saddened to learn of Glen's passing. We shared so many meaningful moments together through high school and college, and even though we were in touch only from time to time in later years, I always valued our connection. I will be remember Glen for his bad, but funny jokes. Their presence left a lasting impression on everyone who had the privilege of knowing them. My thoughts are with his family and loved ones during this difficult time. He will be truly missed, but the memories we shared will always stay with me.

I just learned today of Glen's passing. My heart breaks for Karen, James, and all lucky to have known him. Glen was my colleague, but more importantly my friend. Such a great guy, with endless puns, and loved his family dearly. He was so proud of his son James and his accomplishments. It pains me that he suffered from health issues these past several years, but I will always remember his joyful, caring, and uplifting spirit. I miss Glen and send my prayers and deepest condolences to his family and loved ones. God bless you my friend.

It's heartbreaking that we all lost such a good person and friend, too soon. His pain ends and ours just begins, but the Lord will comfort us in this time, as he has wrapped his arms around Glen and welcomed him into his Kingdom. I have nothing but good memories and all I can do is smile and laugh when I think of them, because of Glen. We had the best group vacations to OC, NC, SC, and FL. I have never laughed so much, so hard, or had so much fun, then when we went on those vacations. Glen had an amazing sense of humor and kept us on our toes. We miss you now, but we will see you on the other side, to laugh once again. R.I.P.
