# Benjamin Patrick Lutrario

DEC 9, 1992 - AUG 3, 2024

**B**enjamin Patrick Lutrario, 31, of Hamilton, Virginia passed away on Saturday, August 3rd, 2024.

Ben graduated from Loudoun Valley High in 2011. He is survived by his parents, Michael and Anita, sisters Casey and Julieann, his niece Hayden, his nephew Cameron, and his precious cat Boo. He is also survived by many aunts, uncles, and cousins. He was predeceased by his brother Christopher M. Lutrario, grandfathers Omar J. Hickle and Angelo M. Lutrario, grandmothers Anna M. Lutrario and Delores A. Hickle, Uncle Angelo G. Lutrario, and several aunts and uncles.

Ben was the life of the Lutrario household and was loved deeply. To know Ben is to know he had many hobbies, interests, and dreams. He truly wanted to do it all. He was an avid reader, he loved sports (specifically Pittsburgh sports, Notre Dame, and Denny Hamlin), movies, and all types of music ranging from opera to heavy metal. He was an assistant basketball coach for the Loudoun Valley Vikings and enjoyed coaching upcoming talent. He had a very charitable heart and always helped those in need.

Ben was a fighter and handled anything thrown his way with grace. Ben will be greatly missed by all who loved him, but we have peace knowing he is reunited with his best friend, Chris.

A Celebration of Life Ceremony will be held on Monday, August 12th, 2024, at Purcellville Baptist Church at 11AM. Ben requests that everyone wear Hawaiian attire.

(Mike Meyer) One weekend, the boys stayed at our house while my daughter stayed at the Lutrario's house. We played some cards that night - and the boys had NO POKER FACE. They got very excited when they had good cards and moaned loudly when they had bad cards. It was very amusing and we had a really good time with them

(Mike Meyer) We live down the street from the Lutrarios and one afternoon, they drove by and gave me a friendly toot of the horn. I saw them pull in to the Beautiful South - so I ran over to join them for a few minutes. I had a nice conversation with Ben and Chris. They talked quite a bit about the things we had done as part of the Boy Scouts. I was very flattered that they had such fine memories. I always tried my best as a leader - but I couldn't always tell if I was doing a good job.

(Mike Meyer) I was a cub scout leader for Ben and Chris when they were around ten years old. We had given them and their father, Mike, a ride to the Temple Hall corn maze just before Halloween. On the way home, Ben and Chris were chattering a mile a minute - so Mike offered them each five dollars if they could be quiet for five minutes. Within a minute, one of them made a comment about something they saw on the side of the road. Mike - said, sorry, but you lose. Then the other brother said "Aha - you lose" at which point Mike said and now you lose too!

Loudoun Valley High School was blessed to have the Lutrario's as part of its school family. Ben, Chris, and Casey...a triple threat of kindness....As a teacher at Harmony and Loudoun Valley, I saw those kids overcome many obstacles...Ben and I shared the sidelines at LV Varsity boys basketball games....Ben would help Chad Dawson's teams with stats and his own unique way of coaching through encouragement....Our loss, Heaven's gain...Angels for sure doing God's work....love and prayers to the entire family... -Wes Dick
