tYou have been by my side since birth. I don't know how I will manage without you. My heart is hurting. Rest well my love. Granny will think of you often. And remember how special you are to me. I got your sisters and brother now. They said they love you and they will always remember what you meant to them. Love always your Gee

Xo, Auntie Miyah sent a virtual gift in honor of Kareem.

Nephew, I'm saddened that we didn't get a chance to catch-up and bond about what was current. We can never prepare for the untimely. Yet, during the untimely, we inevitably prepare. You deserved! It breaks my heart that you didn't get an ideal amount of time to live, learn and experience. You were filled with so much love, wisdom, and consideration. Your sense of self alone, was very admirable. It made me proud, because I know that, that notion is very freeing. I thoroughly enjoyed our conversation's. I too learned and put some respect on a-lot of your perspectives. I'll think of you and hold these memories close.
