Over the years, I have thoroughly enjoyed hearing about all of the adventurous travels that Mr. Tipton took with his family. I marveled at how savvy he was with his iPad, mobile phone, iPod, etc. ... he truly LIVED his life to the fullest, and was actively involved, even well into his senior years (almost 101)! Such an inspiration to all who knew him, or like myself - knew of him, through the many wonderful stories! God Bless Priscilla and her family at this time. Lois Kyle

Capt. Tipton was my first boss many years ago. I remember him as a wonderful, caring man. His family is in my prayers.
