Julie, we are so sorry to hear about the passing of your Mom. Your Mom and Dad lived next to us on Joliet in Woodlawn. So many, many great memories. I (Linda) would have lunch with her at Panera and we would keep in touch with calls. We Camardo kids have been sharing memories of your Mom. My sister JoEllen said she remembers your Mom saying we had to do a trick before we get a treat:) at Halloween. Your Mom and Dad were always so kind to us especially when we would knock on the door and ask if Fred could come out to play. And he would always come out and toss a ball with us and your Mom would just watch and smile. Donna would also pray for me daily when going through my cancer. I could go on and on, but please know of our deepest sympathies for your loss. The Camardo Family Cincinnati, Ohio

Donna and I worked together at First National Bank in Cincinnati. Her parents came to my wedding and filmed the whole ceremony. What a great thing to do. So sorry we lost contact. Prayers for you.
