Mrs. Fountos was born on January 17, 1958 in La Plata, Maryland, to Earl Richard Jordan, a building engineer, and Margaret Constance (Young) Jordan, a homemaker. Mrs. Fountos attended Germantown Elementary School and Gaithersburg Junior High School and then graduated from Gaithersburg High School in 1975. Today, the slogan is found at the three main entrances into Boyds. She obtained an Associate of Arts degree in Management/Marketing from Montgomery College, Rockville, Maryland, in 1983 and graduated with a Bachelor of Science degree in Business Administration from the University of Maryland, College Park, Maryland, in 1986.

Mrs. Fountos worked for several firms as a contractor for the U.S. Department of Energy. She founded and operated her own management consulting firm, Program Analytics, a Delaware Corporation, until her retirement in 2024.

In high school, Mrs. Fountos and her brothers were active members in the youth group at Boyds Presbyterian Church. Since high school, Mrs. Fountos has loved photography. In her younger years, she enjoyed hiking and playing co-ed softball and volleyball. Mrs. Fountos was an avid gardener and known for growing her enormous dahlias and assorted zinnias. She loved giving

Hazel and I met almost 50 years ago when we worked at the same company. We became like sisters. She was my best friend all those years and I can't imagine life without her. Hazel was the kindest, most caring & giving person and she made friends easily. She was also the hardest working person I've ever known. Full of energy, highly motivated and ambitious: working her way through college, raising kids, always challenging herself by learning new things - photography, art, DIY projects, decorating, gardening, yet always making time for her friends. I'll never forget a surprise birthday party she had for me to cheer me when I was having a hard time. She made me part of her family. I will miss her everyday. Love You Hazel. Jeanie
