Stephanie Joy Pineault

DEC 19, 1951 - JAN 28, 2025

Stephanie Joy Pineault, 73, quietly passed away on Tuesday, January 28, 2025, at her home in Leesburg, Virginia, after a long battle with Pancreatic Cancer.

Born Wednesday, December 19, 1951, in Fall River, Massachusetts. She was the daughter of the late PHILLIPPE J. PINEAULT and JEANETTE CAMPION PINEAULT.

She is survived by her brother PHLLIP PINEAULT OF Westport, Massachusetts, along with many friends in Loudoun County.

Stephanie worked for 15 years for the FAA in Leesburg Washington Center before retiring December 31, 2020. Stephanie was an avid dog lover. She bred, showed and cared for many breeds in her life, ultimately culminating with her beloved Pomeranians and Japanese Chins. She also took in many old and ill rescue dogs to care for them in their final days.

Working with and loving her many dogs was the great joy of her life. In lieu of flowers please donate to a pet rescue or animal shelter of your choice. Stephanie would appreciate that.

Stephanie was our favorite "Crazy Dog Lady". She was kind to all and the perfect dog steps for her babies. There are so many sweet baby dogs waiting for her over the Rainbow Bridge.

Stephanie was our neighbor and we would have great conversations if we saw each other on the backyard deck or the front driveway area. Even convos while having some good bbq in the spring/ summers. She was an amazing good spirited woman... thank you for the memories Stephanie, we'll miss you! From the Martinez family

I worked with Stephanie for a number of years at the FAA. She was a really good worker and made lots of suggestions to improve the operation of the FAA in Leesburg. I enjoyed working with her. One of her favorite lines was "you probably don't want to hear this" but we need to fix a situation. She was normally right on. She spent a lot of time with her dogs ensuring they did well in various tournaments. I hope she is looking at her family and friends while resting in heaven.
