Ursula, you left this world much too soon. We worked together at Barber & Ross sharing a very small office. We both love cats and became friends outside of work. I'll always remember the Prince concert we went to at the Patriot Center. Deepest condolences to your family and friends. You will be missed.

Aunt Ursula was a kind, funny, and caring person. Our calls lasted hours, but it felt like only minutes had passed by. I'll miss her dearly.

Ursula was not only a neighbor but a dear friend. We both moved into our townhomes the same week back in 1998! She was always up for "going to the gym" (weekend warriors) with me, then breakfast right after :) My husband and I started our family when we first moved in to the neighborhood and she was there to see our boys grow. Countless memories! She will be missed. Our deepest condolences to her family, you are in our prayers.-The Hermosilla family (Eli, Lia, Ryan and Evan)

It's been a long time and so much has changed in our lives since we spoke last,, but you'll always hold a special place in my heart. You were my friend, my bridesmaid, and like a sister I never had. RIP dear Ursula, and my sincere condolences to the entire family. With love and prayers, Ilene (Tornberg) Ash-McKechnie from NJ
