She was an incredible friend to our parents and the whole Heider Family. She has been at all the past Thanksgiving with our families and friends after Wendell's passing. My fondest memories is her beautiful smile and delicious ziti and breadsticks she would make us when our parents were out of town. She has been a part our family for over 50 years, she will be dearly missed. Peace and strength to Laurie and Bud, her dearest friends and those lucky enough to have known her. ❤️🙏
