I remember Jimmy buying Bea and me BRIGHT ORANGE skateboards. This was the 1970s, so it was a plastic skateboard, unlike the fancy ones they have now. He was so excited to give us those skateboards. I rode on that skateboard as often as I could. I loved it. I also have the scars on my arms and legs to prove it. Hit a rock with the wheel, and fly off the skateboard LOL! These are the kind of memories I love about my uncle. I don't know who was more excited, him or us, when he gave us the gifts. RIP, Uncle Jimmy!
