# Jimmy Charles Jones

DEC 1, 1937 - JUL 26, 2025

**J**IMMY CHARLES JONES, 87, of Lansdowne, Virginia passed away on Saturday, July 26, 2025.

Born December 1, 1937, in Monahans, Texas, Jimmy was the son of Martin and Helen Jones and had nine siblings.

Jimmy leaves many to cherish his memory including his beloved wife of 62 years, Sylva, their son, Anthony, daughter-in-law Heather, and two grandchildren, Madison and Ethan.

Jimmy grew up in Pampa, Texas and served for over 20 years in the United States Marine Corps. He served several deployments aboard ships in the Pacific, two tours of duty in Europe, and one tour in Vietnam before retiring from the Marines as a Captain. Following his career in the military, Jimmy worked as a computer systems engineer in Kalispell, Montana and then later in Phoenix, Arizona.

As much as Jimmy excelled in his professional life, he embraced retirement with equal passion. He and his wife, Sylva, enjoyed time with family and friends, traveled the country, and visited with close friends in Germany.

Jimmy battled heart disease for most of his life as a result of exposure to Agent Orange in Vietnam. At the age of 62, he received a heart transplant and continued to live life to the fullest. He benefitted greatly from dedicated medical professionals at the Inova Transplant Center as well as the care and encouragement from his wife, Sylva.

In lieu of flowers, any desired contributions can be made to the Inova Schar Heart and Vascular Institute, <https://join.inova.org/campaign>, in honor of Jimmy's 25 years as a heart transplant patient. 100% of your donation goes directly to the program.

A Celebration of Life for Jimmy C. Jones will be held at a later date.

From our first meeting to our last game of dominoes (which Jimmy dominated) we shared a special connection and friendship with Jimmy and Sylva. He was larger than life and his many experiences led to great stories and discussions embedded with wit and wisdom. We feel his loss every day, but are thankful for the time we spent with each of you. If we could ask him one more time, "Jimmy, how are you doing?" I am sure he'd boldly reply, "Great!" We give our love to you, Sylva, and all your family. His love and pride in each of you was true and everlasting. May his strength and hope in this life give each of you strength and hope through this time of loss. Kitty and Larry

Sylvia, I was sad to hear of your loss. Jimmy was a regular in joining our class of '56 zoom reunions and he will be missed. We have a great class and his joining us in our zoom sessions was such a pleasure. May your heart be filled with comforting memories of a life well lived.

I will never forget going to Uncle Jimmy's and Aunt Sylva's house in Peculiar, Missouri as a young kid to stay and have fun with Anthony. They have always been a gracious and fun couple. I do, however, remember having to say no to the pickled trout that Sylva offered me.....I would probably still have to say no to that! I was always proud of his service, like my father's, and will never forget his great smile! Condolences to the family.....Mark and Sharon Jones
