FEB 2, 1954 - DEC 9, 2025

**D**EBBARA KERI VALOSIO, 71 of Leesburg, Virginia passed away on Tuesday, December 9, 2025, in Reston, Virginia surrounded by her loving family.

Born Tuesday, February 2, 1954 in the District of Columbia to the late Bartholomew and Doris Valosio.

Debbie (Deb) was a lifelong Virginia resident. She grew up in Annandale before moving to Sterling, then Lovettsville, and finally Leesburg. Her smile was electric, her laugh contagious, and her presence comforting. She led a life of daily kindness, which impacted all those she encountered.

As a professional, she spent over 40 years working as a Graphic Designer starting from drawing boards and continuing through modern computer software. She designed everything from brochures, to government communications, to T-shirts, to logos that were launched into orbit.

Family played a central role in Debbie's happiness. She always worked to be present in her children's, and extended family's lives. She loved many things. But simply catching up over a cup of coffee was one of her favorites. She took her coffee black with a little cinnamon.

Debbie is survived by her adoring family, including her loving and dedicated Husband Ted, Son Nicholas (Nick) and his Wife Shannon, Daughter Ashley and her Husband Kevin, Grandchildren Nora and Jovie, Sisters Adrienne Linda, Tobi, Brother Chip, and her twin sister Bobbie (deceased). As well as many other family members and friends.

A memorial service to celebrate Debbie will be held Saturday, December 20, 2025 beginning at 10:00 AM at Loudoun Funeral Chapel, 158 Catoctin Circle S.E. Leesburg, Virginia, 20175.

In lieu of flowers, memorial donations to the [Alzheimer's Association](#) in Memory of Debbie are preferred.

Dear Ted and family - I am so very sorry for your loss. I first met Debbie when she joined the ITT/STel support group. She was a wonderful and caring person. My most memorable event was her secret Santa visit. Debbie put down Santa's footprints to her "secret" person's door and created a wonderful holiday scene. What creativity and what joy she brought to everyone. She truly embraced the holiday. We could always count on her smile to light up the day. Debbie and her smile will be missed. My deepest sympathy to all of you.

I worked with Debbie more than two decades ago . I was privileged to manage the group she was working in and she was a very dedicated and hard worker, and I don't think I ever saw her without a smile on her face even when I had to set some very hard deadlines to be met. God BlessRichard Thuss

I am so sorry to hear of Debbie's passing. My deepest condolences to Ted, Nick, Ashley and the rest of her family. I feel like I know you all even though we have never met, but Debbie spoke of you often and always with love. Debbie worked for me for several years beginning around 2005 or so. She was always such a joy to work with and the products she delivered were always top notch. She became more than an employee and was a friend although we didn't talk much after I left my job. The last time we talked was a couple years ago when we tried to have a reunion lunch, but she was unable to go. Would have loved to see her again. She was a beautiful person inside and out and I am happy I had the honor to know her. Prayers for the family for your loss.

My deepest condolences to Ted, Ashley, Nick and all of Debbie's family. Her obituary is a lovely tribute to the kind, gentle, and loving person that she was. I will cherish some special memories that I have from the ten years that I knew her - wedding dress shopping together with Ashley, and all of the wedding memories from Kevin and Ashley's wedding stand out. But most precious will always be the sweet snapshots that have been shared of her with her granddaughters. The love she had for her children and grandchildren was so apparent and will always be a cherished memory.

I am so saddened to hear this. I was just thinking of Debbie and sent her and Ted a Christmas card with a note that I was remiss for not keeping in touch and wanted to get together soon. She was a good friend and everyone always has nice things to say about her. I will always have happy memories of her.
