April Clare Davis

APR 25, 1975 - OCT 27, 2025

April Clare Davis passed peacefully on October 27, 2025. April, affectionately known as 'Hoolie', was born April 25, 1975. She was the only daughter born to her parents Marilyn Gee Davis and Walter G. Davis (both previously deceased). She is survived by her brother, Brian (Alix), nephews, Brian, Jr., Anthony, and Carter; half-brothers, Timothy (Diane), Christian (Patrice), half-sister, Cynthia S., and many cousins, nieces, and nephews; April's stepmother, Cynthia A. Davis, and the Gee family including April's best friend and cousin, Jennifer, cousin Dave, Uncle Michael, Aunt Frances, and Uncle David (Jean).

April spent her childhood and teen years growing up in Oakton, Virginia. She received her Bachelor of Art degree from Marlborough College, a private liberal arts school in Vermont. Later April attended Louisiana State University Baton Rouge and received her Master's Degree in Library Information Systems.

Growing up, April's friends remember her love of music, art, and especially her love of nature. She tried her hand at playing guitar, painting, designing jewelry, and she had a special talent for writing poetry and short stories. April had a spirit that radiated even in the midst of trying times. She never failed to ask others how they were doing and what was happening in their lives. April had a way of always making you feel like you were the most important person in the room!

April's gentleness, loving spirit, and friendship will be forever missed by her many friends and family.

I had the honor of knowing April when she and I were roommates in Fairfax. She was such a kind and caring person, always asking me if I was okay. I have missed her and didn't know she had passed. I hope you are at peace where you are April. Thank you for making me feel welcome and for being a shining light to so many people. RIP

I am going to try to locate some of the obituaries around to see if I can make it, but the church has been closed and as many of you know I am very disabled. We are still planning on having a separate celebration of life and will let everyone know with plenty of notice as soon as we have a plan in place.

I want to extend my deepest, most heartfelt condolences to Aprils family and friends. I had the great honor of calling her my friend in the late 90s. To know her was to love her. I immediately was drawn to her kind gentle soul. She was one of the most selfless and generous people I have had the great privilege of calling a friend. I have missed all of our little talks and all of our adventures over the years and now those memories will be a blessing when I think of her. Much gratitude to Brian for posting so many amazing photos. All of my love to everyone who knew and revered sweet April.

Northern Virginia friends,
Below is the arrangements made by April's family for the internment of her ashes. Please consider attending if you are available but it is understandable if you can't. It will be a simple and quick grave side service. Please pass this along if you know anyone who may be interested in attending. I am going to try to juggle some of my obligations around to see if I can make it, but the Mardi Gras season has started and as many of you know, I am very involved.
We are still planning on having a separate celebration of life and will let everyone know with plenty of notice as soon as we have a plan in place.

April's ashes will be buried on Thursday, January 22, 2026 at St. Mary's Catholic Church Cemetery, Petersville, MD at 12:00 noon (weather permitting). The funeral home will decide cancellation if snow/ice. Pastor Bill Parkinson from Way of Faith church will perform the Rite of Committal. This is a brief and final ceremony before burial.
All are welcome to attend.
If you are unable to attend please keep April in your thoughts and prayers that day.
