I remember Mrs. Brown oh so well. She never let me get by with anything, she would correct me as if I was her own. If I was in the wrong, she would tell me. Her and Mr. Brown were a huge part of my life growing up as a teen. I remember how hard she worked but always made time for her family. Family was very important to her and her friends. She would stop in and see my mom at 7 Eleven just to see how she was doing, they would talk, laugh and just catch up. She had a kind heart and giving. She will be missed by all of those that loved her and knew her. My Deepest Condolences to her family.

I worked with Kathleen and Wannetta at B&R for many years. Kathleen was one of the kindest people I have ever known. I don't ever recall anything other than positive energy coming from her. I was sad to learn of her passing and pray for the comfort of her wonderful family.
