Words can not describe the grief I am feeling for Gavin. I shared a few classes with him at school.. he would always light up the room with his smile and laughs. I remember one day I was having a bad day and Gavin went out of his way and walked up to me and immediately cheered me up and put a smile on my face. I'm never going to forget that day... I will cherish it forever. I am so sorry for your loss. He will always be in my heart. my prayers go out to the Barraclough family.

Words can't even begin to say how sorry I am for your loss. Although the past made us not be able to be part of each others family anymore, I still consider all of you to be family. The picture of Gavin and Tyler sitting on Santa's lap together still sits on my mantle and a lot of my memories are of the cousins all playing together and of Gavin's infectious smile. Gavin will be greatly missed and will always be in my heart. I am praying for all of you. Much love, Jessica Sones Kromer
