So sorry for your loss. I know this is a very difficult time for the family. Something that has always given me comfort is a scripture at Revelation 21:4, it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I sincerely hope this brings you some comfort.

18 years ago... When ALL I had was a job. Gabe drove 40 miles out of his way for 3 months at 5:00am everyday....From Lucketts; to make sure I made it to work on time...IN TYSON's...and back! We talked, laughed, cried, sang, complained, politicked (our favorite) and dreamed together . Such an old soul.Gabe is the greatest example of random acts of kindness, unconditional love and respect for others ...SELFLESS that I have ever met.I still sit in traffic on the toll road... take the same back streets, that he taught me (and in some cases we found) to get around the accidents...and every day for all these years...I still laugh or cry or dream and sing, remembering those mornings with Gabe. ...Always, gracious for the hand that he extended, the Big BEAR hugs when I needed them.....and for sharing the very best part of him... his heart. May his soul continue to carry love and peace. Gabriel, Thank you for laying the asphalt on my gravel road. ?
