“ *Strong. Committed. Gracious. Faithful. This is how I remember Mrs. Verfurth. As a 10-year-old to late teens boy in need of a lot of direction, Mrs. Verfurth was always there to give it. So much love in her heart! We tested her a lot, but she never wavered. Now entering my sixties, the enormous positive influence of Mr. and Mrs. Verfurth is still stamped on my soul and always will be. This came through in her children also (Ted, Rob, Jan, Jon and Meg) who we learned a lot of life's lessons with but had a blast together doing it! Mrs. Verfurth's faith and strength reverberated through all of them, and we are all better people for it.*

She made great lemonade.

“ *Anne's personality, her positive attitude, spiritual example and especially her love had an effect on all who have had the pleasure of her company. It was 1971 to 1978 that our two families lived next door in Dayton, Ohio. She embraced us with love and friendship from the start. We saw a combined nine children into and/or out of their childhood. It was a magical place for my family during the time all our children lived and grew up there. Thank you Anne for being a part of my journey. I'll love you forever.*

I would like to share the verse that is on the card I'm sending to Jan because it says it all – “The only reason we feel such profound loss is because we had such a profound blessing. How sad we are now but how lucky we were. And how fortunate we are still to have all the stories and experiences and memories we shared. Let us find peace in the past to carry our hearts forward.”

I loved living on Winterberry Court. Such wonderful people. The Munson household was a secondary family. I remember that eventually would just walk into your home without knocking like it was my home. So glad you have such fond memories of Mom. She was a wonderful person.

I'm sorry to hear of your mom's passing. I remember her being a strong person with a sense of humor, and great words of advice. Always looked out for us - all of us there on the court. Really enjoyed those days with the Verfurth family, playing basketball in the court and generally just having a blast. I don't know if people have that experience any more - all of us getting along so well and enjoying all of the families on the street. Mr. and Mrs. Verfurth were great people!
