

ARTHUR STEVENSON LLOYD

November 16, 1944 - February 26, 2022

Born on November 16, 1944 in Markham VA, Arthur Stevenson Lloyd was named in honor of his mother's father, Arthur Williams, and his father's mother, Mary Stevenson Lloyd. From an early age he became known by the nickname Bumpsie and the nickname stuck throughout his life.

Arthur was raised in Middleburg, VA. He attended Banneker Elementary School and graduated from Douglas High School in 1963. He went on to graduate from Virginia State College in 1968 with a degree in Industrial Arts Education. It was at Virginia State that he became smitten and fell in love with a girl named Shirley Alfreda Amy from Laneview, VA. In 1969, they married and soon after took off on a cross-country drive to see the world. Later in their marriage, they were blessed with a son, Brian Keith Lloyd, who they loved dearly.

Art, as he was known by Shirley, was gifted with the ability to create, build upon or fix just about anything. After college, Arthur taught high school Industrial Arts for a number of years in Chesapeake and Loudoun counties. After gaining teaching experience, his desire to own his own business emerged. He established A&S Cleaning Services which he operated and used to create jobs for others for nearly 30 years until his retirement in 2010.

Bumpsie was a motorcycle enthusiast and founding member of the Sundowners, a motorcycle club. He and Shirley both owned motorcycles and enjoyed many years taking road trips together to see the country.

After retirement, he enjoyed spending time with his family and friends. He was a loving and devoted father to his son Brian and wife Maria. He proudly participated in the activities of his three granddaughters, Bria, Rayna and Nya. He was Mama and Daddy to his two siblings, Swithern and Mildred (Richard) as well as one nephew, Swithern Jr. as he continued to carry on the traditions begun by their parents. Like his mother, he made and canned pickle during the summer and made delicious cakes and bread during the winter holidays. Like his father, he could always work out a fix for what needed fixing.

Bumpsie was the hub of communication with the wider family. He reached out and kept in touch with friends and relatives across the country and was the go-to source for family history. He worked extensively on documenting the history of the Lloyd and Williams families in pictures and family trees. He has left that body of work as a gift to the wider family so that knowledge of where we came from and how we're connected will live on.

As a family, we will learn, in time, to cope with his loss but we will never forget him. He was a solid man and he was loved entirely.

“ I have known Mr. Lloyd my whole life. Mr. Lloyd was truly a great brother/best friend to my uncle Bobby Turner and my mom Shirley Tinner. Both Mr. And Mrs. Lloyd visited my family often and always chatted about the good old days. I'm so blessed to have known Mr. Lloyd who was a great teacher, and a great man that I truly will miss. May you Mr. Lloyd and Uncle Bobby continue to have good times in heaven. You are missed. God bless the family.

I have known Bumpsie as long as I can remember. From first grade through high school, he was truly considered a childhood friend? He was a joy to know. I would always hear him coming before I seen him. His parents and my parents were best friends. His Dad and my Dad were fishing buddy. I also have fond memories of his mother, Miss Mildred, whom I was named after. My condolences to Shirley and the entire Lloyd family.

“ I met Bumpsie in the late 50s at Douglas High School in Leesburg VA. when we both entered the 8th grade.
We graduated together in 1963... And Oh Boy!!! What great fun we had in those high school days and weekends.
Bumpsie was a great person loved by all. He was highly intelligent and for that reason he was looked upon as a communication hub for us all. Bumpsie will be greatly missed.
My condolences to Shirley, Brain, Maria and grandkids.

“ "Gramps", as Arthur was known to his college mates, was an incredible, incredible guy. With his humor and wit he was the beacon that kept us in contact. I looked forward to his emails that invariably made you laugh. I am particularly pleased that he tracked me down and we reconnected after I had been out of contact for about 40 years. I am a richer, fuller person for having known you Gramps. My sincere, sincere condolences to Shirley and the family.

Sending our heartfelt condolences to Shirley and family. I met Art when I first came to Loudoun County (as an Industrial Arts teacher) many years ago. Also, I worked with Art in his business for several years. He really made you laugh with his humor and quick wit. He was a friend that you could depend on; a good guy. Our sincere conodolences.
