“ Our sympathy to Johnny, Sandra and families,

Aunt Barb was one of a kind and we will miss her very much. I have not seen her for several years as her health deteriorated but she always made us laugh. She was a very special lady who will always be remembered as a very caring, loving person. Rest in peace, Aunt Barb. We love you.

A memorial gift will be sent to the Lovettsville Fire Department in her name.

“ First of all, my deepest sympathy to Sandra, John and all members of the family. My thoughts and prayers are with you all. I will donate to the LVFD in her honor.

My friendship with Barb began back in August, 1970, when she called to inform me that I had got the job at the law firm Hall, Monahan, Engle, Mahan and Mitchell. (Boy that was a mouthful when we had to answer the phone!) Her first words to me were "there are going to be two of us"! We sat across from each other. She was Barb Sr. and I was Barb Jr. From the very beginning we bonded and I knew we were going to be kindred spirits for life! We shared many days of laughter at the office. One incident I recall was when we decided to draw up a Petition requesting that we be allowed to wear pantsuits in the office. Barb drew up the Petition in the same format that you would for the Court. We all signed it and then presented it to the partners and after a "hearing", we won our case! At the end of December, 1975, I left and moved to Florida. On my last day of work, we both cried, but even from a distance, we remained friends. Whenever I traveled back to Virginia, I always made it a priority to visit with Barb. Unfortunately, COVID prevented travel in 2020, so my last visit with her was in November, 2019.

Barb, you will always remain in my memories and each night as I look up to the stars, I know that I will see you shining down on us, watching over us with your love, strength and guidance. So shine on Barb! I am going to miss you so much but your spirit will always be with us. I know you're at peace and celebrating reuniting with Howard and Robin as well as that there are no snakes in heaven!!

“ Even though I did not know her as well as my sister Barbara, she was a great person and one spunky lady. I visited her with my sister in November 2019 and it was such a great visit. Especially, when we were talking about the soap opera Days of Our Lives and some of the crazy stuff they were coming up with. My thoughts and prayers go out to all of her family!

“ Dear Frye Family,  
Barbara was such a wonderful lady and was so helpful to all of us at Redskin Park. She was the hardest worker and always had a smile and kind word to share. Our thoughts and prayers are with you all during this time and the days ahead. We will donate to the Lovettsville VFD in her honor.

“ Nanny, I will never forget you I love you. A funny memory one time at my nanny’s house was when I went outside to see her banging a snake with a shovel and yelling at it to leave her alone. Nanny hated snakes so much! Some of my best memories are the weekends that I spent at your house. Thank you for everything that you did for me Love your little sweetheart Lexi

“ So many memories of Aunt Barb. Fun Christmas celebrations and Thanksgiving celebrations. As I was growing up I would run across the road to “tell” on my mother for being mean. Aunt Barb was always there to give me a hug and support. Those hugs and that support didn’t end during my childhood. It went on to my adulthood. She was always there if I needed her. Oh my even when I didn’t want her to be...like when I got pulled over in front of her house for speeding. Getting pulled over in front of her house and Old Crow for her and Uncle Howard didn’t mix. The VA State Trooper saw no humor in it but I sure did. Now let’s mention the memory when dad wasn’t home and mom heard something outside. Again Aunt Barb to the rescue driving around our yard, circling our house with a shotgun.

It’s so hard to believe that you are no longer with us. We all have so many fun memories of you. Your work here is done. You left us with lots of smiles. I love you Aunt Barb. Please rest easy.

“ Condolences to the Frye family. Mrs. Frye was a coach against me when I coach softball. She will be truly missed. I remember seeing her at the Redskins games and at Redskins Park where she worked. Keeping the family in prayer.
