“ Granddad (Curt) I can't find the words to compile all our memories into a single post. You taught me so much in my life. We shared so much joy, laughter, sadness, and some anger (because we're too much alike). You've been my phone call home each day for so long it's weird adjusting to a new normal, instead I find myself talking out loud to you now. I love you so much and I'm so grateful you're healed and walking with the Lord. Miss you and love you always, and I'll see you on the other side.
