

John Davie "Jack" Price

February 20, 1999 - April 3, 2021

John Davie "Jack" Price died at home April 3, 2021. The cause of death is undetermined, pending the results of an autopsy by the Northern Virginia medical examiner's office. He was 22.

Jack was born at Inova Loudoun Hospital on Feb. 20, 1999, and was a lifelong resident of Leesburg, Va. He graduated from Heritage High School and was enrolled at Northern Virginia Community College at the time of his death.

Jack struggled with autism and OCD, but with the help of medication, therapy and the love of his family and friends, he led a mostly happy and fulfilling life. He was active in Scouting, first with Cub Scout Pack 965 and then Boy Scout Troop 1159. He achieved the rank of Eagle Scout under the leadership of scoutmasters Don Olivier and Brian Zabela.

A special person in Jack's life was his music therapist, Tom Sweitzer of A Place To Be in Middleburg, Va. Over the course of a dozen years, Jack sang and acted in numerous APTB stage musicals and performed in the Same Sky Project, which toured schools throughout Northern Virginia, spreading its message of empathy and understanding for people with special needs.

Jack loved family -- his grandparents, aunts and uncles and cousins, as well as his A Place To Be family. He loved to travel, and experienced memorable trips to Japan and China in 2008 and Antigua in 2019. He loved to cook. He loved music, primarily the "classic rock" he learned from his parents, and he loved to sing, especially with his "Jack Squared" duet partner and dear friend, Jack Wood. He loved long walks and bicycle rides around Leesburg. And he loved his dog, Genny, and his cat, Boxcar.

Jack is survived by his parents, John and Lori Price of Leesburg, and his beloved aunts, uncles and cousins. Following a private visitation, he was cremated at Loudoun Funeral Chapel & Crematory. Please share online condolences with the family at www.loudounfuneralchapel.com. An outdoor memorial service/celebration of life will be Sunday, Sept. 12,

at 3 p.m. at 2101 Zulla Road, Middleburg, Va. It will be live-streamed on the Facebook page of A Place To Be in Middleburg.

“ Jack was an amazing person who lit up the halls and stage of Heritage High School. We were so lucky to have him here and enjoyed all that he contributed. He was good friend to all and there was always fun and interesting conversations when we stopped to chat. Jack made such a positive impression on all of us and he will forever be a member of the Pride.

“ I am heartbroken over hearing of his passing. He was such an amazing guy. The song he sang his beautiful grand ma ma for her birthday, the poetry, such a light. I'm so sorry for this unimaginable loss.

“ Jack was my friend at Heritage high school although he was struggling at times, he always did his best to have a smile and good sense of humor. I remember the good times we had in drama and in English class he is such a good kind soul.

“ Jack was so very special. We will forever remember the beautiful Earth Angel song he sang to us, his love of animals and anything maple. His beaming smile and the joy he spread will never be forgotten as he will live on in the hearts of everyone who loved him.

“ I remember having a lot of campouts with Jack during our time in scouts together. I enjoyed having him around as he always tried to make everyone happy which helped everyone enjoy campouts in bad conditions. I helped him with his eagle scout project and he helped me with mine. For that I will always be grateful and I wish his family the best.

“ Dear Jack was a bright shining star! We loved having him visit when he came to visit us all in Upstate New York ! He loved the water and riding a 4 wheeler with his cousin Martin. But what Jack enjoyed the most was family, he loved the connection of family. An wanted to know all he could about is and when we would see each other again . We loved listening him sing for us. The Place to Be gave Jack such a connection to community and purpose. It allowed Jack to express himself and it allowed him to shine and to be so proud of who was! Jack you will be sorely missed . Meme and Buz will be so happy to see you and will be singing with you !!

“ I remember one camping trip, I believe it was at Antietam Creek, Jack started singing "thunder" and "Hooked on a Feeling". It was out of nowhere and everyone was so down from the hike that it was the perfect thing to cheer everyone up. He started our troop's trend of singing those songs during hikes. He really loved performing and everybody loved watching him perform. He made everyone smile and was such a positive influence to all of the scouts. Rest in peace my friend. Praying for you and your family.

“ Jack Price always called me Princess Di or Princess Diana which put a smile on my face.

We hung out at the Davie camp on Otsego Lake in Cooperstown NY and went of food shopping expeditions (because it was always an expedition with Jack) and rented movies out in front of Price Chopper from the big Red Box.

He knew everything about the stink bug - and I mean everything!

Jack has a place in heaven where he can make the wonderful music that he loved.

May you rest in peace, dear one.

“ sorry - I meant to say we went on food shopping expeditions - couple typos there

Diana Doyle - April 06, 2021 at 06:28 PM

“ We watched Jack grow and mature over the years.

His enthusiasm for music, cooking and new experiences was a delight to share with him. He had an inquiring mind and was always eager to discuss new things. Jack had a wonderful and unique sense of humor. We will treasure memories of times spent at Otsego Lake, visits to Virginia, and dinner in Little Italy. Our hearts go out to all of his family and friends.

“ My heart is so sad. I saw Jack riding his bike around Ida Lee just a few weeks ago, and I thought about what a nice, kind person he is and always has been. He had a beautiful singing voice, and it was a joy to hear him share his gift. My heart goes out to his wonderful, loving parents. My sincerest condolences.
