

## Justin Daniel Volentine

July 29, 1973 - June 8, 2022

Justin Daniel Volentine, 48, beloved son of John C. and Paula M. Volentine, died unexpectedly on June 8, 2022. Growing up, Justin loved all sports. He ran track, played football and baseball, before opting to concentrate his efforts on wrestling. He attended Benjamin Franklin Middle School and Oakton High School, where he won the district and regional championships in wrestling. After graduating from NC State in 1996, Justin went on to become a successful loan officer at Intercoastal Mortgage and Movement Mortgage. He enjoyed boating with friends, playing pickle ball, watching soccer games and Washington Capitals hockey. Justin was gregarious, fun-loving, generous, forgiving, loyal and just an all-around good guy.

In addition to his parents, Justin is survived by siblings Adam Volentine (Ellie), John Volentine (Diane), Marie Furlong (Mark), Vicky Brooks (Erik), Katrina Hetzer (John) and Rachel Johnson (Jay). He was "favorite uncle" to numerous nieces and nephews and a caring friend to all who knew him.

A memorial service in celebration of Justin's life will be held on Friday, June 24 at 7 pm. Friends and family are welcome to arrive as early as 5 pm for a time of visitation and light refreshments.

In lieu of flowers, the family prefers that donations be made to the Salvation Army or Wounded Warriors.

Please share condolences with the family, [www.LoudounFuneralChapel.com](http://www.LoudounFuneralChapel.com)

“ I spent one year of my childhood on Willowgreen ct where Justin grew up. He and his family were the nicest people. Everyone there was. I lost touch with him afterwards I lived there, but we are at the same high school three years apart. He was a great kid. sincerely, John Stumbaugh

“ Justin was my best neighborhood friend from around 2nd grade thru 7th grade while living on Willow Green court. We played hours of tennis at our community pool and jumped in the pool to cool off, then back to the court. During neighborhood football games, basketball games, and baseball games, we were always paired together against Brett and David:) Justin was the fastest and always scored in football with a fake out and then go long. We fished a lot at Penderbrook and had pretty perfect summers. Lost touch after college and almost got together a couple years ago for another tennis match. He will be missed by my sister and me.

“ *The Valentines were our neighbors for many years on Oakton, VA. The kids of Willow Green Ct were like a family for us. Justin always played a part in every game, bike riding and home-made bike jumps and going to the creek. He was part of a very large group of kids at the bus stop going to Navy Elementary. Our hearts go out to Paula and Jay and their children at this time of sorrow. You have a large family along with old and new friends who can give you the strength to get through the loss of Justin. We feel so sad. We do have memories of Justin but you have many more memories that will always be in your hearts. and thoughts. Memories stay forever.*

“ I am so sad to hear this news. Justin was a friend of mine while attending NCSU. He was in my best group of friends for a couple of years there. He was always easy-going and sharing a smile kind of guy. I don't think I can recall ever seeing him upset or ill with another person. There was also a brief time that I was not in a good space and he rescued me, without question or hesitation, with just a phone call, no matter the hour. I am forever grateful. I feel sure he is in a good place and hope he knows how thankful I am for his friendship during those years. Love and prayers lifted for his family and friends.

“ Justin was a roommate at NC State for about 2.5 years. An all around great guy to have as a friend. Aside from all the great times we had in college, I remember him being especially fond of his family. He spoke often about his brothers and sister and of his mom and dad. You could tell he loved them so much. Hurt my heart to hear this news. My prayers and condolences to the family.

“ I worked with Justin at Intercoastal and after I left, we remained the closest of friends. We spoke nearly everyday and every time we talked, we laughed so much. He was a super human being, his laugh, his jokes, his humor, his wit, his conversation, his intellect, his humanity and his friendship will be greatly missed. He had such a positive impact on me.  
I will miss my friend with all my heart, I will cherish every memory I had of Justin. I want to give my sincere condolences to his family and let them know he was so loved by me, and so many more people.

“ Justin made my childhood amazing! The Willow Green court gang. The time he came running out from under our kitchen cabinets during kick-the-can to riding bikes and playing at the creek. Justin was a friend, always kind to Michelle, Elaine, Rhonda and myself. He will be missed dearly and my deepest sympathies for his passing.

“ Loved Justin very much when I was 9. ❤️ We got to be Square dancing partners in school several times. Best days ever. Friendship pins were all the rage back then and I managed to swipe one Justin was making when he went to sharpen his pencil. Taped it in my diary where it says “friendship pin made by Justin V.!” Treasured keepsake for years after.

“ I’ll always cherish those high school & college endless summer days hanging with Justin and the boys at Colby & Morgan’s pool and all the crazy and fun times we had over the years running around DC/Nova. It had been awhile but we spoke just last week and he was his usual upbeat self and seemed very happy in life. Justin was a one of kind happy fun loving guy that I’ll miss dearly and I was very fortunate to have as a great friend. Until we hang again brother, love you and RIP.

“ *Justin was a friend, since elementary school, to my nephew's Colby and Morgan Miller. Over the years, I would see Justin at some of our family gatherings and always enjoyed that so much and really did love Justin. The last time I saw Justin was at a family birthday party, a couple of years ago, for my great niece, Everly Miller. I am sorry it hadn't been more recent and please know that Justin's passing has saddened me greatly and my thoughts and prayers have been with the family and all of Justin's many friends. “ *I had the pleasure of coaching Justin at Oakton High School. He was one of the toughest, hard working young men I have ever worked with. He had a great sense of humor and a contagious laugh and was a always smiling. He was a role model to younger athletes and always made time to share his knowledge with them. As an adult he continued to be a funny, outgoing and a smart businessman. Our prayers to you and your family.*

“ *I was fortunate to live with Justin when we were all starting our careers and prior to getting married and life moving into the fast lane. He was one of the funniest people I've ever met with a delivery and wry smile that was unmistakable. Will miss you brother. Love to you and your family, rest in peace Justin.*

“ I am so sorry and my thoughts are with your family. I have fond memories of Justin and Jason racing around Willow Green Court on their bicycles and creating ramps to jump their bikes on. Justin was always kind to me in high school which was nice as early high school years can be difficult. I wanted to share this picture from when we were kids and we helped my uncle by modeling eye glasses for a magazine.
