“ With kind sympathies to her family and friends, Kathy was a close work friend for many years, and a great travel companion. She was a bright, sparkling presence, curious and complimentary. She did the walking maps, I did the exchange rates. We both did translations. I will miss planning another trip.

“ I had the pleasure of caring for Kathryn many times over the last few years and as a former equestrian, spent much of her time with me chatting about her ponies and my ponies. We will miss you much Kay

My deepest condolences to all of the Dubit family

“ My husband and I were so very sorry to hear of Kay's passing. We reconnected last year before Founder's Day, but unfortunately, I was unable to travel with her to Burlington. I was just remembering her as Mary in the Christmas Mystery our senior year. May your memory be for a blessing. Karen and Bobby Levin

“ Rusty, Beth and Jennifer - Paul and I were so saddened to hear of the death of Kathy. I have so many memories of her during our time at St. Mary's Hall! I would not know where to begin. I'm so glad that I was able to visit with her at the 2019 Founders Day at SMH. We send you our love and hugs during this sad time.

“ Kathy, Jerry and I used to lunch together every month for years. She was such a sweet, funny person and we always had such fun together. I wondered why I hadn't heard from her and after leaving messages on both her phones I decided to look into it further. So sorry to hear of her passing. My sympathy to Rusty.

“ My deepest heartfelt condolences to the family of Kathryn I met her twice but she was a good lady. Lover her horses, farm and family. Special condolences to my old neighbors and friends Rusty and Beth whom I have known for several years.

Your years of memories will comfort you, it will take time and someone to share your feelings with. Stick together as a family and support each other. You are a tight knit family hold strong. God bless and watch over you one and all.

“ I met Kathy in October 1973 at ATPCO. I was 19 and 5 years younger. I called her Mom and worked with her till 1980 when I moved on. I went to her wedding in NJ with several car loads of co employee's and would run into her at the company Christmas party every year till they stopped having them. My wife also worked with Kathy and under her. I remember rubber band fights in the computer room a few times when we were slow.

She was a good person and I spent lots of hours talking with her about life. She on several occasions would cool me down when something didn't go as planned or I would get in trouble about something. She will be missed!
