“ Dear Caroline, We have so may many of Mary. I was glad that I had my time in the Johnson Center with her in February. I can still see her listening to the music and sharing her times in France. We will miss her. She was a wonderful friend and lovely lady. Please stay in touch with your Falcons Landing family. We care about you too. Our deepest sympathy in the loss of your dear mother. “ Caroline, my thoughts and prayers go out to you as I read of your mother's death. So many years ago I recall your father and mother's love and protection of you when you were young. Your parents and I shared the driving to swim practice when you and Lance were swimming!  
She was a lovely woman. I know you will miss her as there is no loss to compare to the death of one's mother. Remember the happy times you shared and the joy you brought into her life.  
Much love to you at this sad time,  
Martha High (Lance's mother)

“ Caroline,  
We are deeply sorry for the loss of your dear mother. You were such a loving and supportive daughter in all the years before her passing. Although we never knew your mother personally, she seemed to be quite a remarkable lady who lived a long, wonderful life. She had a precious gift in you, her daughter, who loved her so selflessly until the very end. May God bring you comfort and peace in time. We are praying for you to get through this hardship.
