“ Aunt Mary I will miss you so much. I will cherish the summers I spent with you making ornaments for my Christmas tree (that I still have) and watching the birds and squirrels in your Immaculate garden or picking all your cherry tomatoes and you saying “Nikki why did you eat all the tomatoes” I can’t wait to hear it’s me Mary again!  
Love you -Nikki

“ Mary you were the best aunt i could have ever asked for. I have memories from when I was a child playing in the pool in the backyard every summer spending nights with you at your home. Fly high with the angels I’ll never forget what I have learned from you. I love you forever and always.

“ So shocked and saddened by your passing. Mary, you were always so fun, supportive, and just a little sarcastic, and a great sister-in-law You will be greatly missed. When I told my son about your passing, he said you were listed as "cool aunt Mary" in his phone. My children always enjoyed visiting you and wandering through your garden and hearing your stories.

My deepest sympathies to my brother David and my nephews Adam and Matthew. You know we are always my family, even when we haven't talked for a while. Whenever my family visited you all, we always felt welcome and like no time had passed. Mary would always sit down with her cup of tea and be ready to talk. You are all in my prayers.

Love, Aunt Debi
