“ Have not seen Paul in almost 40 years (which is my loss), but remember him from our time together as classmates at Holy Cross, and was saddened to learn of his passing.
My sincerest condolences. May your faith in the risen Lord sustain you in this time of sorrow.

“ Probably the best work experience I ever had was at ORBCOMM - collectively, as a group. We were on the cusp and all learned a lot of hard knocks schooling. It's where I met Paul as a co-worker in US Sales and friends since. Terri - you made him SOOOooooo happy. Shannon & Connor: he loved you to the moon and back. While I know the last 5 years haven't been easy for any of you, THANK YOU for sharing it all with us. We all love you back. God Bless, Paul.

“ It was a pleasure knowing and working with Paul at Orbcomm. He was a great member of the team, a hard worker and fun.

“ I did not know Paul well but did speak with him at a Holy Cross reunion in 2004 and he was delightful to talk with. We lost another great one from 79.

May he rest in peace.
