

Susan Yates Mills

January 10, 1947 - April 9, 2020

Susan Yates Mills, 73 of Leesburg, Virginia passed on Thursday, April 9, 2020, at Heritage Hall in Leesburg, Virginia. Born Friday, January 10, 1947, she was predeceased by her parents William Lindsey and Dorothy Woods Yates of Apex, North Carolina and her sister Gayle Yates Reid of Winston Salem, North Carolina.

She is survived by her husband Wayne C. Mills of Leesburg, VA., son Jeffrey (wife Tina) Mills of Fort Ashby, WV., two grandchildren Joseph and Sarah of Sterling, VA, a brother David (wife Barbara) Yates of Graham, North Carolina and two nieces Tiffany McEwen of Mebane, North Carolina and Whitney Yates of Snow Camp, North Carolina.

Susan spent 35 years as a teacher and administrator after graduation from Campbell University with a bachelor's degree in 1969 in Elementary Education. She earned a Master's degree in Education from VPI in 1974. She began her teaching career at Sterling Elementary in 1969. In 1973 she moved on to become a Reading Specialist. She was chosen to help open Sugarland Elementary as an Assistant Principal in 1975. She entered the administrative field as Principal of Aldie Elementary School in 1978. Her next administrative post was the Alternative School at Douglass School as an Assistant Principal in 1982. Susan moved on to her next administrative post in 1985 at Sterling Elementary where she was appointed as Principal; the same school where she started her teaching career. She finished her career at Catocin Elementary School where she spent the next 15 years from 1989 -2004 when she retired.

After retiring Susan continued working part-time for the Loudoun County Public Schools on special projects for the Personnel Department for the next 14 years.

She was an avid volunteer. After recovery from breast cancer in 2005 she helped to establish the Loudoun Breast Health Network in 2007. She spent the last 14 years raising funds to help breast cancer survivors who need financial assistance. LBHN is an all-volunteer 501(c)(3) nonprofit organization. Their mission is to assist residents in Loudoun County diagnosed with breast cancer through outreach and support.

Another volunteer group that Susan was very fond of was The Ladies Board of Inova Loudoun Hospital of which she was a member and President of the organization at the time of her passing. For the past 10 years she was one of the chairpersons in the famously organized Book Barn at The Ladies Board annual Rummage Sale in October each year. She and her volunteers would organize about 40,000 books by author or subject, both hardback and softback and sell about half of them. Her volunteer worked tirelessly for a successful sale each year.

In lieu of flowers, the family suggests that donations be made on her behalf to the Loudoun Breast Health Network, P.O. Box 6154, Leesburg, VA 20178 or a charity of your choosing

Due to the current COVID-19 pandemic a memorial service will be held in the future.

“ I am so sorry to hear about Susan's passing. She was such a wonderful women and truly cared about those around her. I will forever miss our chats and her humor! We often laughed that we were soul sisters in another life. It is rare to find someone that committed their life to children the way Susan did. From her entire Mobile Hope Family, our kids and me, she will truly be missed.

“ Susan Mills was a leader in so many venues that improved the lives of Loudoun’s children and cancer survivors. When she took on a mission to improve lives around her we all knew that she would succeed. On behalf of our schools we are grateful for her career as a teacher and school principal. Even in retirement she continued to work on new teacher orientation and other personnel projects even as she pursued her volunteer efforts at Inova Loudoun Hospital. I don’t think Susan ever turned down a request to serve and make life better for others. We share her husband Wayne’s grief even as we remember the positive differences Susan made in so many lives of young and old alike. May God comfort her family in this time of loss.

“ Susan was such a bright light and helped me more than I was ever able to express to her, while I was mourning the loss of my mother to metastatic breast cancer. I volunteered with the Loudoun Breast Health Network because of Susan and to honor my mother. She will be missed, tremendously.

“ I was so very saddened to hear of Susan's passing. She agreed to partner with me on the System's Change project at Catoclin back in '89/90. It was a learning experience for us both, but a joyous one just the same. Susan always had an ear to lend. I have many fond memories of Catoclin. I have so enjoyed reconnecting with Susan in retirement. I admire her energy and dedication to all her various volunteer endeavors. What gifts she gave the community! Gone way too soon. Love you Susan - have fun up there! Betsy

I caught up with her again at the Ladies Board Rummage Sale. She was so devoted to her many causes. Her laughter will be deeply missed.

“ Susan and I met while I worked in the LCPS Personnel Department. Susan often stopped by my office to visit with me when she was between interviews with candidates who wished to become substitute teachers. We also shared the common bond of Apex, NC, since I had just moved to Loudoun County from the Apex area. I enjoyed getting to know her better when we traveled to Pittsburgh together on a recruitment trip. Susan's optimism and can-do spirit will be missed. She was a bright light in our community for so many groups of people--students, educators, and those struggling with a cancer diagnosis.

“ I met Susan years ago when my Alumnae organization volunteered at the LBHN Survivor's Retreat at Loudoun Hospital. We loved Susan's thoughtfulness and dedication to helping women in our community. We volunteered with her every year since. Years later, I volunteered at the Book Barn. Then joined LBHN at the Annual Flower and Garden show to raise money and awareness for LBHN. I loved Susan and her energy and amazing smile. She welcomed everyone and was so easy to be friends with. I am heartbroken that she is no longer with us. Praying for her and her family. May she rest in peace.

“ Mrs. Mills gave me 4 things that I will be forever grateful for: my first job fresh out of college and very inexperienced and naive, her stated trust that I would make, and learn from, my mistakes, the family away from home that Catocin was, and the very best friends I could ask for. My thoughts and prayers are with her family and friends.

“ My heartfelt sympathies to Susan's family and prayers for God's grace and loving mercy to help you through this difficult time. My first memories of Susan were as my 4th grade teacher, but her presence in my life would make itself known at the most profound times. She had a very special bond with and love for my mother Norma Bornarth which carried over to our entire family. I will forever cherish her words of wisdom, her hugs, and her love. Thank you God for placing her in my life and for the blessing she was to so many. -Stacey Bornarth Collins
